Filed : October 23, 2001
For : METHODS AND APPARATUS FOR CROSS-TALK AND JITTER
REDUCTION IN MULTI-BEAM OPTICAL DISKS

Dear Sir or Madam:

Attached is a copy of an updated filing receipt recently received in the above identified patent application. The filing receipt incorrectly cites the title of the application as "Methods and apparatus for cross-talk and jitter reduction in multi-beam optical disks.". The correct title of the application is "Methods and apparatus for cross-talk and jitter reduction in multi-beam optical disks" as indicated on the executed declaration (copy attached). Accordingly, applicants respectfully request that the Patent and Trademark Office issue a corrected filing receipt.

As the error is believed to be a printing error of the Patent and Trademark Office, no fee is enclosed.

Please confirm by return facsimile your receipt of this request and let us know if you need any additional information.

Respectfully submitted,

Matt Caretto
